This is an information gathering session on your thoughts and ideas of what the future of the recreational facilities of MSU can be. MSU has retained services of the design team to get your valuable feedback as they are reimagining the future of the IM East and IM West recreation facilities. All the feedback and ideas will be considered. Final implementation will depend on multiple factors including cost, existing infrastructure, and other conditions.

Help us reimagine the future of MSU IM recreational facilities!

**Your Ideas Here**
What future-focused trends, ideas, or fitness experiences have you seen that you believe should be incorporated in a new recreation facility? Do any peer benchmark facilities come to mind?
7. What words best express the experience of these new facilities? 
You walk in the front door what is your first impression? 
What would make this facility unique for MSU?

8. At the end of the day, how would you define if the new IM facilities are successful?
What has NOT been discussed or covered that you want us to hear?
Questions? Comments?

THANK YOU
